

Counselling Diploma Level 4

Is the course for me?

The Counselling Diploma Level 4 is an exciting and very successful course that aims to develop counselling skills and includes 100 hours supervised placement. The course aims to develop counsellors who are reflective practitioners and to develop an understanding of the person-centred approach. The course contact hours may at BACP's discretion, be counted towards meeting part of the criteria for individual accreditation as a practitioner.

Please note you will need a level 3 certificate in counselling skills as an entry qualification for this course.

How will I be assessed?

You will be assessed via Internal and external assessments involving self, peers and also tutor assessment.

What could I study next?

This Professional Qualification will enable you to work as a Counsellor. You may also consider studying a post-graduate degree or Masters Degree.

Are there any additional Costs?

You will need mandatory external supervision when in practice at least on a monthly basis this is self-funded.

What will I learn?

Students study a variety of units including theory of counselling, counselling skills, professional issues, counselling in a diverse society, counselling specialisms and personal development & placement issues.

The modality of therapy taught is The Person Centred approach.

Please note the cost of the course is per year, you will also need external supervision when in practice at a cost which is self-funded.

Will I complete work placements?

Work placements are not applicable to this course.

Are trips and residentials organised during the course?

Yes, one in 2016 the other in 2017. The cost is £150 for each residential weekend which will include accommodation and meals. This is not included in the cost of the course and will be invoiced separately.

Are there any links with industry?

Industry links are not applicable to this course.
