

## Counselling Concepts Award Level 2

### **Is the course for me?**

If you are thinking of changing career or want to enhance interpersonal skills, especially the ability to listen, then this course may be for you; The Introduction to Counselling Concepts Level 2 course is aimed at learners who wish to develop an understanding of counselling theory as well as developing a range of counselling skills. This ten week course which introduces you to three models of counselling and will equip you with some listening and communication skills which you can use both in the work environment and personal life. The course structure is a mixture of both theory and practical skills undertaken in a supportive atmosphere from the both tutor and fellow learners. This very successful course (as evidenced by learner feedback and success rates) runs for ten weeks.

### **How will I be assessed?**

You will be assessed through successfully completing pieces of work, including worksheets, plus one 1500 word internally verified assignment.

### **What could I study next?**

After successfully completing the Level 2 courses you can progress onto the Level 3 Certificate in Counselling Skills.

### **Are there any additional Costs?**

There are no additional costs associated with this course.

### **What will I learn?**

The course is based on a person centred approach to counselling with a brief introduction to two other theories. You get the opportunity to practice a range of counselling skills, and gain an understanding of counselling in a professional context.

### **Will I complete work placements?**

Work placements are not applicable to this course.

### **Are trips and residentials organised during the course?**

Trips and residentials are not applicable to this course.

### **Are there any links with industry?**

Industry links are not applicable to this course.
